MMR_0623 Gilbert Brauch, Jr. Hickory North Carolina Mid-Eastern Region

Gil Brauch and his final scratchbuilt motive power. Congratulations to Gil on becoming MMR #623.

Gil Brauch had his last scratch-built motive power evaluated by the judges at the CSD picnic. It received 105 points. That means he has completed the AP Master Builder – Motive Power requirements. This became his seventh AP certificate.

Gil's Statement of Qualifications was approved by National Headquarters. Gil earned the title of Master Model Railroader. Congratulations to Gil on becoming MMR #623!
